

BUSINESSHUB PRIVACY POLICY (Collecting Customer Information)

BusinessHub Pty Ltd (ACN 106 092 068) ("BusinessHub") understands that you value your privacy and wish to have your personal information kept secure. For these reasons, BusinessHub places a high priority on the security of information we hold. We have developed this policy to inform you of how we manage your personal information and maintain its integrity and security.

While we believe in keeping your personal information highly secure, we also believe that you have the right to be informed about how we deal with that information so, if on reading this policy you are unclear on any of the matters or simply want more information, please contact us on the telephone number or addresses provided below.

Collecting Personal Information

We aim to collect personal information only if it is relevant and necessary to providing a service to you or providing or procuring a third party software product to you.

In general you can assume that we collect and hold the following information:

- Name
- Address
- Email address
- Telephone and fax number
- Credit card details (where you provide such details to us)

In most cases we will collect this information from you directly however in some cases we may obtain information from third party suppliers and business partners including MYOB Australia Pty Ltd ABN 13 086 760 198 and its related bodies corporate within the meaning set out in section 9 of the Corporations Act 2001 (Cth) ("MYOB").

Naturally we collect and hold a broad range of personal information gathered during the course of providing our services and third party software products. However as stated above, we strive to ensure that we collect and hold only that personal information which is relevant and necessary to your specific matters.

Purposes of Collection

We collect information primarily to provide services to you and to provide or procure the provision of third party software to you. We may also use the information:

- to send newsletters to you;
- to invite you to seminars or events hosted by BusinessHub;
- to inform you of products that can be purchased from BusinessHub or MYOB;
- to inform you of developments at BusinessHub or MYOB and other services that we can provide.
- to provide or procure third party software for you.

Third Parties

The following third parties may have access to personal information:

- MYOB;
- our authorised sub-contractors, including software support and implementation sub-contractors;
- IT technicians may have access when providing on-site support although it is our practice for them to work under supervision; and
- data and file storage services, which may include off-site data storage through a third party provider.

We will not otherwise disclose information about you unless the disclosure:

- is required by law;
- is authorised by law; or
- you have consented to our disclosing the information about you.

Personal Information Quality

We aim to ensure that your personal information is accurate, complete and up to date. To assist us in this, you need to provide true, accurate, current and complete information about yourself as requested and properly update the information to us to keep it true, accurate, current and complete.

If you believe that the information is inaccurate or incomplete, please contact us and we will use all reasonable effort to correct the information.

In the event that we do not believe the information to be incorrect, we will take reasonable steps to add a statement to the information claiming that you believe the information is not accurate, complete or up-to-date.

Securing Your Personal Information

We are committed to maintaining the security and confidentiality of the data you provide us and we will take all reasonable precautions to protect your personal information from unauthorised disclosure, use or alteration.

We have the following security measures in place to protect your information:

- our offices are also securely locked after hours;

- all computers have password protection;
- all computers linked to our intranet are password protected and virus protected;
- our website is protected by a firewall;
- our employees all sign confidentiality agreements as part of beginning employment at BusinessHub; and
- our software support and implementation sub-contractors sign a confidentiality agreement before being provided access to our client's personal information.

Accessing Your Personal Information

You have a limited right to access all personal information that we hold about you. In limited circumstances, we may refuse your request to access, in which case, we will give you a reason for that refusal.

We are not required to provide access where:

- denying access is required or authorised by law; or
- providing access would be unlawful.

Changes to this Statement

This Privacy Policy is not a static document, we may make changes to this Privacy Policy from time to time for any reason. We will publish these changes on our website.
